Products **Car Wash**
The right chemicals for the right job.

This high-tech protector forms semi-permanent, yet flexible bonds with leather and fabrics, leaving a nanoscale hydrophobic layer to repel dirt and liquids. Just spray the surface until saturated, and let it dry for 24 hours.

Si-Nano Protect forms semi-permanent molecular bonds with painted and nano-coated surfaces and is designed to prevent water spots, acting as a glossy protective layer that will last for multiple months with just one application.

Si-Nano Vision is an extremely high-tech ceramic sealer that is specially designed for coated and uncoated glass surfaces. Repels water for 30% better visibility in rainy conditions.

This fully-biodegradable stain remover is made with a synergistic blend of environmentally friendly acids to boost cleaning performance and cost-savings that is perfect for use on all hard surfaces. Finally, a product that removes mineral deposits and is safe for your skin.

Steril pretreatment cleaner is a 100% sterile mixture that uses new technology to thoroughly prepare hard surfaces to form an enhanced and super-durable bond with our ceramic coatings.

The right chemicals for the right job.
Higher profits with no compromises.

**Shampoo Pure Shine**  5 L
275x  200x  200x  200x  200x
SHRE5000

A high-tech shampoo that is specially designed for today’s high-performance car washes. This shampoo reactivates protective nano layers, is free from polymers, wax, and coloring chemicals, and is safe to use for interior cleaning.

**Shampoo Pure Shine**  20 L
1100x  800x  800x  800x  800x
SHRE020L

**Nano Wash “Hydrophobic”**  5 L
60x  40x  40x  4 week hydrophobic
NWAS5000

Nano Wash adds a glossy super-hydrophobic layer while cleaning. It can be used for manual or automatic car washing and is suitable for coated and uncoated cars. It gives customers a true nano experience that lasts 2-4 weeks depending on dilution.

**Nano Wash “Hydrophobic”**  20 L
240x  160x  160x  4 week hydrophobic
NWAS020L

**Tire Black Coating**  5 L
166x  125x
SITR5000

Finally, a product that gives tires a super long-lasting black luster. 100% Dry-to-the-touch tire shine that won’t wash away when it rains or during car washing. Cures to a deep shine in less than 10 minutes.

**Tire Black Coating**  20 L
664x  500x
SITR020L

**Tire & Rubber Gloss Restorer**  5 L
110x  100x
TIRB5000

This gloss restorer uses an optimized UV-resistant formula to restore tires and rubber trim to their original appearance, providing a protective layer to maintain shine and luster over time.

**Tire & Rubber Gloss Restorer**  20 L
440x  400x
TIRB020L

**Multi-Purpose Cleaner**  5 L
+/-.200x  +/+.150x  10.000ft²
MPCL5000

Multi-Purpose Cleaner is a low-foaming formula that can be used on all interior surfaces to remove dirt and neutralize odors. It cleans effectively and leaves a nice smell behind.
The Leader in Durability

Did you know?

That our coatings are made of pure silica sand, which is the most common element on Earth?
