1ft² 0.06lbs
160ft² (covered)
Expected Lifetime:
20 Year+ (repaintable)

e-Warranty

NANO-CERAMIC quality assurance and reliability are guaranteed with SI11 SI12 SI13 SI15 for 10 years if applied with a minimal thickness of 0.08 inch.

This limited product warranty covers the purchaser of SI11 SI12 SI13 SI15 for use on new building applications when professionally installed by one of our approved installers on new paint on concrete walls only, against discoloration, peeling, or delaminating.

There is no warranty caused by surface/concrete cracks. All claims caused by cleaning chemicals other than our NWAS /SHRE will be rejected. Warranty is only valid if it is registered by one of our approved installers via our E-Warranty registration form on our website.
Protect every surface for decades to come

Apply direct without primer on: Concrete, gypsum, natural stone, steel, wood, fiberglass or painted surfaces

Conventional paints are simply not strong enough for outside environments; even the best last only 5-7 years.

Permanent Hydrophobic
There is no better option than to use NANO-CERAMIC!

Did you know?
That our coatings are made of pure silica sand, which is the most common element on Earth?
